## PROFILE

Full Stack Developer with a background in Health Informatics, specializing in building web applications and software solutions tailored for the healthcare industry. Experienced in developing and customizing web platforms, including WordPress, React, and Flask, with a focus on enhancing functionality and user experience. Skilled in integrating complex medical data systems, optimizing healthcare workflows, and using modern technologies like Docker and FHIR R4 to drive efficiency and improve patient outcomes. Passionate about leveraging my technical expertise to create innovative, data-driven digital solutions that make a real impact in the healthcare sector.

## EXPERIENCE

**ATWERB GMBH**
2023 - Present

**FULL STACK WEB DEVELOPER**

Experienced Full Stack Developer skilled in creating robust web applications. Proficient in front-end technologies (HTML5, CSS3, Wordpress) and back-end development using PHP via FTP. Strong commitment to code quality, performance optimization, and Agile collaboration. Ready to contribute expertise to ATWERB GmbH's growth.

**DEVELEY PFARRKIRCHEN, PLANTURA MUNICH, CONZELLA PFARRKIRCHEN, SENDMOMENTS PFARRKIRCHEN, ZENJOB MUNICH**
2021 - 2023

**WAREHOUSE ASSOCIATE & DELIVERY DRIVER**

As a Warehouse Associate, I handled sorting, packaging, and quality control across a variety of industries, including food, books, and custom products, working with companies such as Develey, Plantura, Conzella, and Sendmoments. In addition, through Zenjob, I gained experience as a delivery driver, navigating around Munich to ensure timely and accurate deliveries. My roles required attention to detail, efficiency, and strong organizational skills to maintain smooth operations.

**NEXTEL SYSTEMS LIMITED**
2017 - 2021

**SOFTWARE DEVELOPER**

Trainee to Software Developer : Initiated career as a trainee, acquiring key skills in software development lifecycle. Progressed to Software Developer, responsible for designing, coding, and modifying software applications, with a special focus on website design and hosting. Collaborate with team members to create robust and user-friendly software solutions, utilizing the latest technologies to continually enhance product quality.

**MUKUSU MOTORS AND PROPERTIES LTD**
2018 - 2021

**WEBSITE MANAGER(CONTENT AND MEDIA MANAGEMENT)**

Oversaw website content and media management, ensuring accuracy and engagement. Managed SEO optimization, digital assets, and website hosting. Worked with marketing and design teams to create compelling content, monitored web traffic, and used analytics for continuous site improvement.

## EDUCATION

**DEGGENDORF UNIVERSITY**
2021 - 2023

**HEALTH INFORMATICS**

A comprehensive course focused on the application of information technology in healthcare. Covered areas such as data management, electronic health records, and healthcare data analytics, emphasizing the role of technology in optimizing patient care and healthcare decision-making.

**MAKERERE UNIVERSITY - UGANDA**
2017 - 2019

**BACHELOR OF SCIENCE IN EDUCATION - BIOLOGICAL**

A program blending in-depth biological knowledge with pedagogical skills. Topics covered included cell biology, genetics, ecology, and evolution. The course aimed to prepare students for effective science education by combining subject mastery with teaching competencies.

**OUR LADY OF GOOD COUNSEL - GAYAZA**

**HEALTH SCIENCES (BIOLOGY,**

2015 - 2016

**CHEMISTRY, MATHEMATICS & IT)**

A robust high school program combining core scientific disciplines with IT. Covered biological processes, chemical reactions, mathematical principles, and basic IT skills, fostering analytical thinking and a foundational understanding for health-related and IT careers.

# AWARDS & CERTIFICATES

## MALENGO - SCHOLARSHIP

2021

### SCHOLARSHIP

The Malengo Scholarship is part of an initiative designed to support students from low-income countries, particularly in Africa, in accessing higher education in high-income countries, such as Germany. Through mentoring, financial support, and guidance, Malengo helps scholars apply to universities, obtain student visas, and cover first-year living expenses. The scholarship operates under an Income Share Agreement (ISA) model, where graduates contribute a percentage of their future income back to the program, ensuring sustainability for future scholars.

## SELF-LEARNING

Mar 14, 2023
